the positions which will open on campus. Miss Hiatt, who recommended that a planning period of a year precede the presentation of courses, noted that an eventual staff of eight instructors would probably be required to fulfill needs of the pending program.

**BEFORE GOING** to the board of trustees, the proposal to initiate a nursing program was studied over a period of many months, such professionals, medical hospital and nursing directors being consulted to determine such aspects as the need for and potentialities of enrollment in the program. In her survey of the two-year nursing program, Miss Hiatt noted that 18 junior college nursing programs exist in California. Miss Hiatt stressed the responsibility of the participating hospitals in assisting the development of the program and the responsibility of the college in providing adequate counseling for students entering the program. She emphasizes the urgency of close cooperation between the junior college and the hospitals involved.

In moving to initiate the training program for nurses, Secretary Jack N. Dabbs of the board commented, "We must meet this established need in the community."

**Grandview Celebrates 7th Year in Palos Verdes Area**

Furnished model homes in two peninsula locations will be the scene this week end of a community celebration marking the start of the Grandview Building Company's seventh year of developing luxury homes on Palos Verdes. At West Palos Verdes Estates, spectacular new view development, the scene will be the three newly furnished model homes near the ocean juncture of Hawthorne Boulevard and Palos Verdes Drive West.

At Grandview Palos Verdes, members of the Grandview Palos Verdes Woman's Club will assist in the festivities at nine furnished homes located on Hawthorne off Silver Spur Road, Grandview may be reached in minutes from Torrance via Crenshaw Boulevard to Silver Spur Road and right, or via Hawthorne to Palos Verdes Drive North, left to Silver Spur Road and right.

**WEST PALOS** Verdes Estates, with eight custom type floor plans and interior living space up to 2127 square feet, is priced fully from \$36,400, with 90 per cent financing available.

Set on level terraced lots with many sweeping views of the Pacific at its loveliest point and Catalina Island, homes contain three and four bedrooms and family room, two and three baths.

Highlights include entry courts, terrazo tile and slate entry hall, perimeter forced air heating, handsome fireplaces customized to the home styling, hobby rooms in oversize garages, intercom with both FM and AM radio, landscaping with trees and basic shrubbery, and sliding glass walls to cement patios.

**LUXURIOUS** kitchens include the latest built-in gas ranges and ovens and automatic dishwashers, ceramic tile generously utilized, and commodious hardwood cabinetry. Grandview homes, some now available for immediate occupancy, offer a choice of 12 floor plans in 45 exterior stylings, and are priced from \$25,700. Down payments on long term conventional financing start at \$1,500, plus costs, and some homes may be purchased on VA terms.

**STRIKING** split level designs by architects Harris & Rice, AIA, are available at both localities. All homes are constructed with continuous, steel-reinforced concrete wall foundations. Among many traditional Grandview "specials" included with the purchase price are rain gutters and downspouts on all roofs, including garages.

New schools, shopping centers and churches are within minutes of both communities. The opening of a Safeway supermarket last week launched a 27-acre regional center adjacent to Grandview.

A popular "trade-up" program has been instituted, with Grandview obtaining maximum values for the present home, and offering either immediate occupancy or a reservation on a home being built.

**Dog Licenses Due Friday**

An appeal to dog owners who have not yet licensed their pets to do so before next Friday has been made by Bernice Blomk, of the South Bay Humane Society. The \$3 fee will be raised to \$4.50 after the deadline.

The Humane Society is located at 20836 Earl St. and is open from 9 to 5 week days and from 12 noon to 4 p.m. on Sundays.

All dogs 4 months old and over must be licensed according to Torrance City Ordinance and must have proof of rabies shots, it was pointed out. If dogs are ill and not able to take their shots the owners must have a note from a veterinarian for deferment.

**Board Votes To Sell New Bond Series**

Sale of an additional \$2 million in bonds for building purposes has been ordered by the Torrance Board of Education.

The sale was authorized to keep the district eligible for state loan funds, since law requires that the district be bonded to 95 per cent of capacity. The money also will be used to speed up the district's high school building program.

In other financial action, the board voted to invest \$895,000 of current funds in short-term treasury bonds for 90 days in order to gain a little interest before funds are needed.

**Adult School Plans Stenoscrypt Course**

A new form of shorthand, stenoscrypt, is being offered in Torrance Adult School on Mondays and Wednesdays from 7 to 9:30 in Room G-1, South High School.

A few openings still are available in the course, which is taught by Miss Jane Hawk of the Hughes Aircraft Corp. Registrations are accepted at class meetings.
